Nerine Trust Company Limited *25 August 2015*

Two of Nerine Group of Fiduciaries' young guns have been recognised in Citywealth magazine's "Future Leaders List 2015".

Assistant trust managers Donna Brehaut and Marina Le Gallez both featured in the inaugural list which aims to identify and celebrate rising stars in the private wealth industry.

The list features young professionals from across the investment management, law, trust and private banking sectors in the UK and International Finance Centres and is compiled through recommendations from directors, senior peers and clients.

Miss Brehaut and Miss Le Gallez were featured among the six individuals in the Trustees category.

Miss Brehaut began her career at Nerine in 2007 as a trainee trust and company administrator after completing her A-levels. She undertook the STEP Diploma in 2010, earning a distinction, and was formally admitted to STEP in the same year. Promoted to assistant trust manager in 2013, her work includes overseeing an administration team dealing with global high-net-worth clients and family structures with a particular focus on international clients and succession planning. She is currently undertaking the Chartered Management Institute Level 5 Management certificate.

Miss Le Gallez also began her fiduciary career in 2007 after completing her A-Levels and joined Nerine in 2011. In 2012 she gained the highest mark for the STEP Trust Creation Law and Practice exam in the STEP Guernsey region. She is a key part of the team responsible for administering a large managed trust company with more than 30 entities and plays a valuable role in training and business development.

Nerine executive chairman, Keith Corbin, said: "Donna and Marina's inclusion in this exclusive list is an excellent endorsement of their talents. Both have proven to be exceptional practitioners; rising through the ranks at Nerine and I have no doubt that each of them will make formidable leaders.

"Nerine's senior staff have featured frequently over the years in Citywealth's respected Leaders List so it is rewarding to see Nerine's next generation receiving similar accolades. Nerine is committed to excellence in client service and this can only be achieved through the expertise and dedication of our staff - qualities Donna and Marina continue to demonstrate as their careers progress."
