Nerine Trust Company Limited

14 September 2015

One of Nerine's up and coming stars has been included in this year's "Top 35 Under 35" list from private wealth and fiduciary website eprivateclient.

Jodi Langlois, head of client administration at Nerine Group of Fiduciaries, has more than 12 years' experience providing wealth planning solutions for a diversified international client base. She has worked with a number of trust companies in

Guernsey, including Nerine, since her career began in 2002 and is well-versed in all aspects of fiduciary work including tax and succession planning. She currently manages a varied portfolio with a particular focus on UK planning solutions and also assists specific global groups with fiduciary requirements for their clients.

The eprivateclient list is designed to identify, recognise, promote and introduce the rising stars of the private client practitioner community. It features the top 35 men and women aged 35 and under who work in the private client advisory professions around the world including lawyers, accountants, trustees and other professional intermediaries.

Mrs Langlois has been a member of both STEP (the Society of Trust and Estate Practitioners) and ICOSA (the Institute of Chartered Secretaries and Administrators) since 2008.

Nerine executive chairman, Keith Corbin, said: "Jodi's inclusion on this list is an excellent and highly deserved endorsement from the industry. She epitomises the next generation of trust and fiduciary professionals: knowledgeable, energetic, considered and dedicated to outstanding client service.

"She has risen quickly through Nerine's ranks as a result of her commitment to building a high performance team which manages often complex trust and corporate entities and helped to consistently grow our revenue and profitability.

"She has also played a pivotal role as project manager to re-engineer and improve our human resources policies and functions and is crucial to the implementation of our continuous business improvement programme. Her outstanding contribution is a big part of the success story that saw Nerine recognised as STEP's Independent Trust Company of the Year in 2015."

The full Top 35 Under 35 2015 list will be published in the October edition of Private Client Practitioner and a celebratory champagne reception will be held at the Bankside Gallery in London on 5 October.
