

Nerine Hong Kong shortlisted for 2016 WealthBriefingAsia Hong Kong Awards

Nerine Trust Company (Hong Kong) Limited

25 April 2016

Nerine Trust Company (Hong Kong) Limited has been shortlisted for the Independent Trust or Fiduciary Company category in the WealthBriefingAsia Hong Kong awards.

Now in their third year, the WealthBriefingAsia Hong Kong Awards were established to highlight best practice and outstanding contributions within the industry.

Winners will be those individuals and firms that have demonstrated innovation and excellence during the year as recognised by the industry, peers and clients.

Nerine Group of Fiduciaries opened its Hong Kong office in 2007. The group also has established offices in the British Virgin Islands, Geneva, Guernsey and Delhi where it is the only independent trust company.

Nerine Fiduciaries (Hong Kong) managing director, Melanie Ison, said: "Nerine's growth in Asia is a testament to developing strong relationships with a number of intermediaries and clients on all aspects of succession planning. We're proud to be an owner-managed, independent trust company and we believe this is a key reason our clients want to work with us."

Nerine executive chairman, Keith Corbin, said: "Our Hong Kong office shares the same qualities and values found throughout the Nerine Group: the highest level of expertise coupled with the highest standards. Our commitment to top quality service and building enduring relationships with our clients and intermediaries is underpinned by our independence and attention to detail.

"It is a great achievement to be shortlisted and demonstrates the commitment and hard work of our talented teams working in the region to service a global client base."

ClearView Financial Media's CEO, and Publisher of WealthBriefingAsia, Stephen Harris, said: "These awards are judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards will recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process."

The awards will be announced at a ceremony at the JW Marriott Hotel in Hong Kong on 2 June 2016.
