

Two Future Leaders at Nerine

Nerine Trust Company Limited

22 September 2016

Two of Nerine Group of Fiduciaries' young professionals have been shortlisted for Citywealth Future Leaders 2016 awards.

Assistant trust manager Donna Brehaut has been shortlisted for the Trustee of the Year: Boutique Award and business development executive Naro Zimmerman has been shortlisted for the Business Services Award.

The Citywealth Future Leaders Awards' shortlists feature UK lawyers, accountants, family office practitioners, private bankers and trustees who deal with private clients with fortunes that exceed £20m and often up to several billion. The contenders originally featured on the Future Leaders section of the Citywealth Leaders List – which itself is the result of an ongoing year-long programme of peer recommendation and verification.

Miss Brehaut was promoted to assistant trust manager in 2013. Her work includes overseeing an administration team dealing with global high-net-worth clients and family structures with a particular focus on international clients and succession planning.

With a decade of trust experience, Mr Zimmerman joined Nerine in 2015. He is responsible for assisting and coordinating the marketing and business development of Nerine across multiple jurisdictions with key responsibility for the Middle East.

Nerine executive chairman, Keith Corbin, said: "It's great to see incredible young professionals from Nerine shortlisted for these awards; it is an excellent endorsement of their talents. They have proven to be outstanding team members and role models.

"Nerine is committed to excellence in client service and this can only be achieved through the expertise and dedication of our staff. These awards are also open for industry professionals to vote, so it would be fantastic if everyone who knows Donna and Naro, and knows what great professionals they are, would log on and vote for them."

The awards are due to be presented on the 10 November 2016 in London. Each winner of the 18 categories is chosen by public vote and a judging panel. Voting closes on the 20 October 2016.
