*14 September 2017*

Congratulations to Nerine employee Mark Bristowe who recently captained the Guernsey Men's Touch Rugby team to victory over Jersey in the 2017 inter-insulars. The game, played at Les Quennevais Sports Centre in Jersey, was a close affair ending 5-3 to the visiting Guernsey side.

Mark is a keen touch player and also represented the island in the Men's overs, which finished in a 5-5 draw, and the Mixed game, which Jersey won 9-3. On the day there were also games for Guernsey's ladies and under-18s which both ended in defeat. With Jersey recording more wins and taking the overall Inter Insular Trophy - receiving the prize for the Men's game was the high point for the Sarnian party.
