Nerine Fiduciaries

27 July 2018

Nerine Fiduciaries in Guernsey has been recognised as one of the 36 most influential trust companies globally on eprivateclient's Top Trust Companies 2018 list. Nerine, which is owned by the PraxisIFM Group, is among a handful of independent trust companies to feature on the list.

Eprivateclient is an online publication for leading private client professionals and have run the Top Trust Companies rankings for eight years.

The list rankings are based on a survey of over 100 trust companies across the globe and this year a new feature is the division of the list into three tiers. The tiers take into consideration the size of the company, reputation, quality of service, their business engagement over the last 12 months as well as the extent of their UK offering. Nerine is listed in the third tier.

Nerine in Guernsey have been included on the eprivateclient lists previously, and most recently three trust managers made the inaugural Top 35 Under 35 in the Channel Islands list.

Nerine executive chairman, Keith Corbin, said: "We are proud to be recognised as an independent business and to be named on a list among businesses in the same bracket of private client fee income who are larger than us is a notable achievement. The team at Nerine are exceptional and we will continue to deliver the best service possible to our global client base and look forward to what we can achieve with PraxisIFM."
